Kindergarten February Newsletter 2018

This year is going by so quickly! We have had such wonderful celebrations this month! Our Lower Grade Assembly really helped us celebrate the 100th day of school! Kids loved counting to 100 with different 100 day activities we did in our classrooms! Hats, necklaces, snacks, glasses and signs were all the rage! Thank you for helping your child at home with their 100 day project! It has been so fun to see all the creative learning that has gone on. Valentine's Day was super sweet during our card exchange and snack time. Students loved showing their friends how much they care and love them. Please be on the lookout for information about upcoming field trips and special days! Spring conferences were so productive and positive. We appreciate your time and were excited to tell you all about the great things your child can do! As always, pleas keep helping and reading to your child at home. Please reinforce behavior expectations and talk to your child about expected behavior at school. Thank you again for all of your help at home! If you have any questions, please let us know!

Monthly Topics

Language Arts - comparing and contrasting, story retelling, making connections, writing sentences
