

March Newsletter

Math: We are reviewing TEKS taught during the year.

Science: We are looking at Ecosystems in Science. The Science MOY will take place on March 27. After the results come in, we will modify instruction to meet student needs.

Reading: Spiral Reviewing TEKS taught during the year. March is Women's History Month and so students are participating in projects related to the Women in History. Also, Scholastic book orders have gone out, so please be on the lookout for that.

Other:

Vision and Hearing Screening: March 29

Student Holiday: March 30

Looking Ahead to April:

STAAR: *Students will be getting ready to take the STAAR Math and STAAR Reading on April 10 & 11.

Earth Camp will be coming to present to the students: Wed. April 15.

Field Trip to Aquarena Springs in San Marcos on April 19.

-Bring comfortable shoes, sunscreen, a hat, and a water bottle.
