

Remember this Saturday, September 28, is Fall Beautification Day!

We need anyone and everyone to come together **Saturday 9/28 starting at 8:30a.m.** to work on beautifying our school!

Bring your children to help...and anyone else (grandparents, relatives, neighbors) who enjoys gardening, carpentry, grounds clean-up, etc. Whether you can stay one hour or the entire day, that's fine by us.

Plan to bring a water bottle, gloves and tools if you have them.

Please join us for this community-building event and satisfy your volunteer requirement hours for the fall!

**** Bring this sheet Saturday to turn in for credit for your volunteer hours.****
