

THES Annual Fall Dinner Event! Saturday, November 9th

Travis Heights Elementary School parents Molly Cain and her husband, locally renowned chef John Cain, would like to invite you to a casual but elegant dinner in their garden under the Live Oaks with the Paper Moon Shiners playing vintage songs from the 1920's 30's and more! This event is in support of THES.

Enjoy a delicious, 4 course meal prepared by John himself, while having a fun, kid-free evening with neighbors and friends.

Proceeds from this event will support the growth and development of the Dual Language program across all grades. We hope you will take advantage of this wonderful opportunity for current parents to celebrate our neighborhood school and for prospective parents to meet the community and learn more about it, all while supporting an excellent program.

Together, we can make the THES Dual Language program the role model and innovator for AISD. We look forward to seeing you there!
