

**Return this form only if you **DO NOT WANT** your child to have  
a free dental screening at his/her school.**

**What is a dental screening?** A licensed dentist will give your child a quick exam with no x-rays to determine if treatment is needed. The dentist will give your child a consent form for you to sign if he/she needs treatment. Our mobile dental clinic will go to your child's school in a few weeks to provide **FREE** dental care for children with signed consent forms.

If you **DO NOT** want your child to be screened, check the box, fill out and return this form to his/her teacher.
