

Take Sue Young's stories and songs home with you!

A great way to learn Spanish • A valuable resource for bilingual kids.

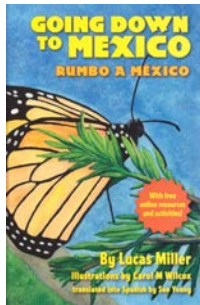

The Legend of the Quetzal - Audio CD - Parents' Choice Silver Honor Award Winner, Creative Child Seal of Excellence - Take a fun trip south of the border with folk tales, classic and original songs. Ages 4 and up.

Youngsters will enjoy this engaging, entertaining, and educational adventure through many countries and cultures of Latin America.

School Library Journal

My 5 year-old twin daughters are learning to speak Spanish at their preschool. I'm always looking for opportunities to reinforce their lessons at home. This CD is one of our favorites. Sue Young charmingly weaves Spanish and English together in these beautifully told stories and delightful songs in a way that entertains and teaches at the same time. Parents will be singing along, too.

Susan Rauch

Going Down To Mexico - Rumbo A México - Hardcover Book - NEW!!!

Sue did the Spanish translation for Lucas Miller's new picture book based on his song "Going Down to Mexico", about the incredible migration of millions of monarch butterflies. The book animates a monarch's amazing life in beautiful illustrations. and will help kids nurture a connection with these inspirational insects.

Ages 4 and up.
