# SUMMER READING SKILLS

## CLASSES OFFERED IN AUSTIN, ROUND ROCK & CEDAR PARK

**4-Year-Olds and Entering Kindergartners:** In this fun summer program, your child will learn to read. Children in this program learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences, and will develop a love of books and reading.

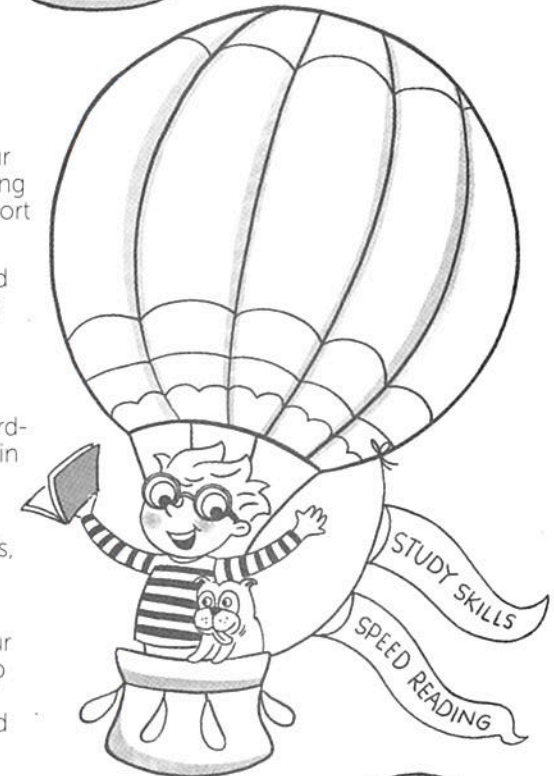

**Entering 1st Graders:** In this fun summer program, your child will learn to read independently. Children in this program learn phonics and sight words, improve comprehension, and develop a love of books and reading. Your child will get excited about learning to read and get off to a great start in first grade.

**Entering 2nd Graders:** In this fun summer program, your child will become a fluent, independent reader. Children in this program build solid phonics and word-attack skills, and develop reading fluency and comprehension. Your child will gain confidence and develop a love of books and reading.

**Entering 3rd Graders:** In this fun summer program, your child will become a strong, fluent reader. Children in this program develop long-word decoding skills, reading fluency, and good comprehension. Your child will gain confidence and develop a love of books and reading.

**Entering 4th and 5th Graders:** In this fun and effective summer program, your child will become a skilled, enthusiastic reader. Students in this program develop long-word decoding skills, fluency, and strong comprehension. Your child will complete homework more quickly and easily, be more successful in school, and develop a love of books and reading.

**Entering 6th-8th Graders and Entering 9th-11th Graders:** In these effective and enjoyable programs, your student will improve comprehension in both fiction and non-fiction, and will learn to read twice as fast. Students in these programs learn the best way to read textbooks, take notes, and study for tests. Your student will complete homework more quickly and easily, get better grades, and enjoy reading more.
