

Travis Heights Parents,

On Wednesday, July 29<sup>th</sup> through Thursday, July 30<sup>th</sup> we will begin returning student belongings. We have designated a pickup window to allow social distancing and to prevent too many people on campus. The building will not be open and parents are asked to remain in their vehicles at all times. If you are walking to campus, we ask that you please wait in the front of the main entrance to the school. Please wear a mask and maintain social distancing. A cone will be setup for you to pull forward and wait for a staff member to attend to you. If you have multiple children in different grade levels, please provide names and we will provided all of your student's belongings to avoid multiple trips to campus.

### **Instructions for THES families driving through curbside pick-up:**

#### **Parent directions:**

- Please arrive at your designated time to pick up student materials.
- Please wear a mask.
- Parents will drive through and cars will lineup on Alameda Dr.
- If you are walking to the school we ask that you remain in the front of the school and a staff member will attend to you. Please wear a mask and maintain social distancing.
- Stay in your car during the student pick up window.
- AISD rules are still in effect: no alcohol, tobacco, drugs, or weapons permitted.
- Please leave the school grounds once you have your student's materials.
