

# Technology Distribution Requests in the Austin ISD Parent Cloud - Steps ([español](#))

1. Log in to your Parent Cloud account at my.austinisd.org. If you do not have a Parent Cloud account, there is a link on that website to create one, or you can call the Family Support line at 512-414-9187.

2. Once you are logged in to the Austin ISD Parent Cloud, click on the magnifying glass at the top. Type "tech," and the technology distribution link should appear. Click on that, and it will take you to the form.

3. Please read the text on the page carefully, as it has important information about the process. Note that if you request technology, you will not get it right away. The District will contact you using the information here, when it is time to get the technology you have asked for.

A link to the form in Spanish is available at the top. Please call the Family Support Line at 512-414-9187 for assistance with other languages.

If you scroll all the way down to the bottom, you should see the names of the students associated with your Parent Cloud account.

### Timeline:

Computers and iPads will be distributed in August and September. You will be notified when your technology is ready. Due to supply delays, some families may not have their technology by the first day of school.

### Students in Grades 3-12

All Austin ISD students in grades 3-12 are eligible to receive one Austin ISD Chromebook for use while they are enrolled in AISD. Students must return the Chromebook when they graduate or withdraw from Austin ISD. Please use the form below to request a Chromebook, if you have not yet received one.

### Students in Grades PreK-2

Additionally, beginning in August, all Austin ISD students in PreK through second grade will be eligible to receive an iPad for school use. Students must return the iPad when they finish second grade or withdraw from Austin ISD. Distribution will be in several phases, and exact dates are not yet available. Even though students will not receive iPads until later in the summer or early fall, please complete the form now. When your iPad is available for pickup or delivery, you will be notified through the phone number and/or email you provide here. [Additional up-to-date information can also be found on the website linked here.](#)

### General Information for All Families

If you have a computer or iPad at home for your student, you are not required to receive one from Austin ISD. However, there are many benefits to doing so:

- District devices will come prepared with the software your student needs for school.
- Teachers can remotely change settings on Austin ISD devices to make it easier for your students to access their learning materials.
- District devices can be updated and software can be maintained remotely. They also come with a warranty for free repairs through the district, as well as insurance for accidental damage. They come in a durable, protective case, appropriate for their particular grade.
- Austin ISD computers have Internet filtering in place to ensure your student's safety online.

I would like to be added to the list for **delivery**. I understand that I will not know my delivery date until the day of, and that it may be faster to go to a pick-up site.  
**\*\*Note that if you initially requested delivery, this option will be locked when your iPad delivery has been scheduled for a specific day. After that time, you will no longer be able to change this option.**

I will **pick up** the device. Current locations are listed on the document [linked here](#) and are subject to change. Please check back before pickup.

 Our family has the appropriate technology for our students, and we do not need an Austin ISD device at this time.

I agree to the terms of the **Acceptable Use Policy (AUP)**

I have read and agree to the terms of the [Everyone:1 family handbook](#), which has key information regarding your family's responsibility for the device you will receive.
