Free COVID-19 Testing Available in Austin/Travis County

FREE testing is available for those who:

- *have COVID-19-related symptoms*
- *have had close contact with someone who tested positive for COVID-19*
- *have traveled outside of Austin/Travis County in the last 14 days*

Steps to Schedule a COVID-19 Test:

1. *Click on "take a self-assessment" at:*
   https://www.austintexas.gov/covid-testinfo
2. *If this is your first time to request a test through Austin Public Health (APH), you will have to create an account through the APH website in order to take the assessment. You will see the following:*

Before you start
Here are a few things to keep in mind.
  1. To help keep your information secure, please create an account. Per Health Insurance Portability and Accountability Act (HIPAA) requirements, you will need a separate email address for each person seeking a test, including children.
  2. You will need to answer a few questions about symptoms, travel, and contact you've had with others to determine if you need testing.
  3. If you and/or a loved one qualify for a COVID-19 test, you will be able to schedule the location, date and time for a drive-through testing appointment.

If you would like to take the online assessment and schedule testing, please click the button below to create an account.

[Create an account]

3. *After you have created and verified your account, you will click on "schedule a test."*
4. *Complete all the information requested to determine if a COVID-19 test is recommended.*
5. *If a COVID-19 test is recommended, you will be prompted to enter your zip-code/address to schedule COVID-19 testing at a testing site near you.*

To view FREE testing sites provided by APH, go to: Free APH Testing Sites
